

Alma Chronicles IV

Luke's Covenant

Willing to sacrifice his life on Nine Eleven, Luke instead finds himself required to live. He must protect himself and his family from an ancient vendetta at the hands of a man compelled to murder them all. Although failing before, Kegan has been reborn with paranormal skills that give him the advantage this time. He'll finally get the revenge he deserves.

In the Alma Chronicles, souls, bound together in a circle of love, passion, betrayal, and murder, reincarnate lifetime after lifetime from the ancient Celtic world through twenty-first century America.

“A deliciously evil villain stalks the hero throughout time in a thought-provoking and mystical excursion. The novel explores the impact of psychic experiences and past lives on present lives and relationships.” *Michael J. Murphy, Suspense Novelist*

“*Luke's Covenant* gives meaning to the tragedy of September Eleven. The message shines as one of hope for a kinder, more spiritual society.” *Vijaya Schartz Science Fiction and Romance Author*

“Luke is a courageous, empathetic character who struggles with fleeting images from his past while he seeks protection for his son and fulfillment of his own needs in the present.”
